

2010 ADIPEC Tentative Session Grid

		Hall 1	Hall 2	Hall 3	Hall 4	Hall 5	Hall 6
Monday 1 Nov	AM	Exhibition & Conference Opening Ceremony					
	PM 13:00 - 15:00	Executive Plenary 13:00 - 15:00 Delivering Energy in the Low Carbon Era					
	PM 15:30 - 17:00	Session 1 New Organisation Capability (Vision)	Session 2 Energy Efficiency and Emissions Management (Surface)	Session 3 Flow Assurance (SubSurface Field Dev)	Session 4 Exploration and Reservoir Geology (sub surface geo)	Session 5 Fractured Reservoirs (sub surface geo)	Session 6 Bits and Hole Opening (Drilling)
Tues 2 Nov	AM 08:30 - 09:00	Sub-Surface Poster Session (with Coffee) in Conference Foyer					
	AM 09:00 - 11:00	Session 7 EOR: Beyond the Next Decades (Vision)	Session 8 Technology to Reduce Environmental Footprints (Surface)	Session 9 Integrated Facilities Optimisation (Surface)	Session 10 Development Optimisation I (Sub-Surface Field Dev)	Session 11 Artificial Lift (Sub Surface Field Dev)	Session 12 Seismic Acquisition and Processing (sub surface geo)
	AM 11:00 - 12:50	Panel 1 - New Frontier Challenges					
	PM 13:10 - 15:00	Panel 2 - Technology and Innovation					
	PM 15:00 - 17:00	Session 13 Intelligent Energy and Future Operations (Vision)	Session 14 Sustainable HSE Performance (Surface)	Session 15 Flow Assurance (Surface)	Session 16 Development Optimisation II (Sub Surface Field Dev)	Session 17 Seismic Interpretation and Analysis (sub surface geo)	Session 18 Formation Evaluation (sub surface geo)
Wed 3 Nov	08:30 - 09:00	Surface Poster Session (with Coffee) in Conference Foyer					
	AM 09:00 - 11:00	Session 19 Sustainable Field Development (Vision)	Session 20 Project Development and Execution (Surface)	Session 21 Risk Management (Surface)	Session 22 Production Enhancement I (SubSurface field dev)	Session 23 Reservoir Characterisation (sub surface geo)	Session 24 Well Integrity and Intervention (Drilling)
	AM 11-12:50	Panel 3 - Sustainability			Session 25 Geosteering and Logging While Drilling (Drilling)		
	PM 13:10 - 15:00	Panel 4 - Delivering Mega-Projects					
	PM 15:00 - 17:00	Session 26 Drilling Fluids and Cementation	Session 27 Innovation in Design and Technology (Surface)	Session 28 Extending Facilities Life through Integrity Management (Surface)	Session 29 Production Enhancement II (sub surface field dev)	Session 30 EOR (sub surface geo)	Session 31 Reservoir Modeling and Simulation (subsurface geo)
Thurs 4 Nov	08:30 - 09:00	Vision Poster Session (with Coffee) in Conference Foyer					
	AM 09:00 - 11:00	Session 32 CO2 Management (Vision)	Session 33 Application of multiphase technology and flow measurement (surface)	Session 34 Reservoir Management (sub surface geo)	Session 35 EOR (subsurface field dev)	Session 36 Drilling and Extended Reach Drilling	Session 37 Completions and Production Optimisation (drilling)
	AM 11:00 - 12:50	Panel 5 - Carbon Management in the Energy Industry					
	PM 13:10 - 16:00	Special Session - ADCO Rumaitha EOR CO2 Project					
		Technical Sessions					
		Panel Sessions
