WELCOME TO ADIPEC 2026

Welcome to ADIPEC 2026.

As global energy demand continues to grow, strengthening energy security and resilience while enabling economic and industrial growth requires greater investment, faster deployment and deeper collaboration across the energy system.

From 2–5 November, ADIPEC will bring the global energy community together in Abu Dhabi to advance the decisions, partnerships and technologies needed to meet growing demand and build more resilient, competitive and intelligent energy systems.

Across the Strategic Conference and Technical Conference, more than 1,800 speakers will share strategic insight, technical expertise and real-world experience across 13 programmes and over 380 sessions. Beyond the conference rooms, the exhibition will connect these conversations with technologies, projects and solutions from across the global energy value chain.

As a delegate, you are at the centre of this exchange. Use this planner to prepare for your visit, build your agenda, connect with peers and make the most of four days at ADIPEC.

We look forward to welcoming you to Abu Dhabi.

Thomas Löffler
Senior Vice President

Opening Ceremony I Monday, 2 November

The Opening Ceremony will take place at Abu Dhabi Energy Centre and is strictly by invitation only.
An official Opening Ceremony badge is required for entry, with doors opening at 7:30 AM and closing at 8:30 AM.

Delegates and visitors at ADNEC can watch a live broadcast of the ceremony in the **Impact Theatre, Exchange Theatre, Momentum Theatre and Excellence Theatre.**

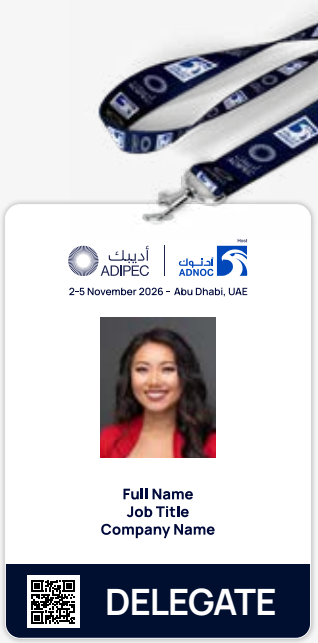

The ceremony will also be streamed live on the ADIPEC website and social media channels.

YOUR CHECKLIST

To ensure your visit to the world's largest energy event goes as seamlessly as possible, we recommend using the below checklist:

ONSITE DELEGATE BADGE PRINTING

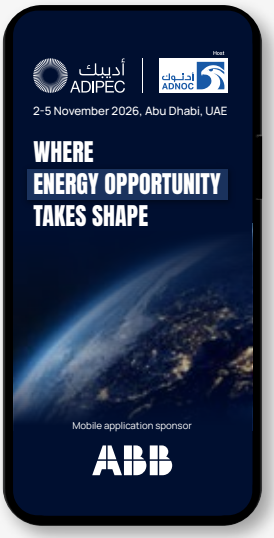

Conference delegates can collect their badge by scanning their unique QR code, shared through the delegate confirmation email, at dedicated delegate badge printing kiosks.

DOWNLOAD THE ADIPEC MOBILE APP

Be the first to know the latest news on ADIPEC. Make your participation more effective while you are on the go by downloading the ADIPEC Mobile App.

Scan the QR Code

Visit www.adipec.com/app to download the ADIPEC Mobile App.

OFFICIAL TRAVEL PARTNER

Get in touch with ADIPEC's Official Travel Partner to avail comprehensive business travel management and hotel accommodation services.

More information on page 22

HOTEL SHUTTLE BUS

Several complimentary hotel shuttle bus routes are available to and from selected hotels in Abu Dhabi to ADNEC.

Scan the QR Code

More information on page 23

TRANSPORT

The venue is accessible via Taxi drop off, Hotel Shuttle buses and Park-and-Ride locations.

More information on page 24 and 25

ONSITE INFORMATION DESKS

Dedicated information desks with helpful staff who are happy to assist you from 08:30 till 18:30 are located throughout the venue.

PLAN YOUR VISIT AND NETWORK AT THE WORLD'S LARGEST ENERGY EVENT

Enhance your in-person experience at ADIPEC by downloading the ADIPEC Mobile App and have the latest information at your fingertips.

Sponsored by ABB, the ADIPEC App is your smart guide to access the exhibitor list, view the floorplan, schedule meetings, explore event features and conferences and learn everything you need to plan your visit in advance.

Download the app now at www.adipec.com/app

Scan the QR code to download the app

ADIPEC mobile app features

- ☑ **View** conference agendas
- ☑ **Schedule** meetings
- ☑ **Search** the exhibitor list
- ☑ **Navigate** the floor plan
- ☑ **Receive** real time updates

Available on IOS and Android

Download on the App Store | GET IT ON Google Play

How to activate your profile

STEP 1 **Download the ADIPEC Mobile App at www.adipec.com/app**
Use your registered email address to create a password and activate your profile

STEP 2 **Update your profile and begin networking.** The connections you can make will depend on your badge type

YOUR ADIPEC 2026 EXPERIENCE

Four days connecting energy leadership, expertise and opportunity

ADIPEC brings together the people, ideas, technologies and capital shaping the future of energy.

As a conference delegate, your experience extends beyond the conference room. Across four days, engage with global leaders, access strategic and technical insight, build valuable connections and explore the technologies and solutions advancing energy systems worldwide.

ADIPEC EXHIBITION

239,000+ Exhibition attendees

2,250+ Exhibiting companies

54 NOCs, IOCs, NECs, IECs

30 Country pavilions*

ADIPEC CONFERENCES

16,500+ Conference delegates

1,800+ Conference speakers

380+ Conference sessions

13 Conference programmes

01

ACCESS

Gain insight from global energy leaders

Gain perspectives from ministers, CEOs, policymakers, investors, engineers and technology leaders addressing the decisions shaping energy security, investment, infrastructure, technology and growth.

02

CONNECT

Build relationships across the global energy ecosystem

Connect with peers, partners and decision-makers from across markets, sectors and disciplines.

03

DISCOVER

Explore technology and innovation at scale

Experience solutions from across the energy value chain and discover the technologies, capabilities and projects moving from development to deployment.

04

ENGAGE

Turn four days into lasting value

Build an agenda around your priorities, exchange expertise and create connections that continue beyond ADIPEC.

Explore ADIPEC 2026

ADIPEC 2026: WHAT'S NEW

MORE SPACE. MORE OPPORTUNITIES. MORE WAYS TO CONNECT.

Driven by unprecedented demand from across the global energy ecosystem, ADIPEC 2026 introduces new exhibition features, expanded showcase areas and enhanced networking opportunities designed to help attendees discover new technologies, build partnerships and explore the future of energy.

1 A NEW STAGE FOR ADIPEC'S OPENING CEREMONY

To accommodate continued growth and record exhibitor demand, the ADIPEC Opening Ceremony will take place at the Abu Dhabi Energy Centre. The move creates additional exhibition capacity within ADNEC, enabling more companies, technologies and country representations to participate in ADIPEC 2026.

The invitation-only Opening Ceremony will also be livestreamed free of charge within designated conference areas at ADNEC, allowing all attendees to follow the event's proceedings.

2 NEW INTERNATIONAL PARTICIPATION

Three countries join ADIPEC's pavilion programme for the first time in 2026: Argentina, Austria and Nigeria.

Located within the expanded Hall 16, the new pavilions reflect ADIPEC's growing global footprint and the increasing diversity of investment and technology partnerships. This year's event will also feature its largest-ever Asian presence, together with a number of first-time ministerial and industry leaders joining the programme

3 RECOGNISING IMPACT THROUGH THE ADIPEC TECHNICAL EXCELLENCE AWARDS

The ADIPEC Technical Excellence Awards recognise contributions in research and innovation that demonstrate measurable industry impact. This year, the award categories have been expanded to include:

- Downstream Excellence and Innovation
- Young Professional Award
- Resilience Award
- Rising Stars Award (Academia)

4 EXPANDED EXHIBITION EXPERIENCES

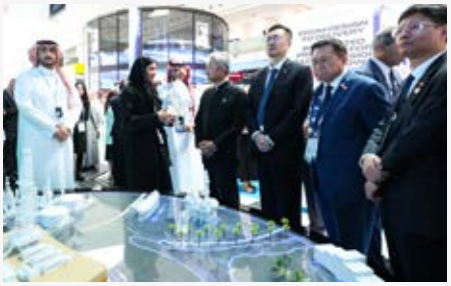

AI ZONE

Reflecting the growing importance of artificial intelligence and physical AI across the energy sector, the AI Zone expands significantly in 2026. Alongside an enlarged exhibition offering, visitors can access the AI Theatre, AI Leadership Roundtables and the free-to-attend AI Conference, covering themes including robotics and quantum computing.

MARITIME & LOGISTICS ZONE

Providing a dedicated platform for shipping, ports, marine infrastructure and supply chain innovation, the Maritime & Logistics Zone continues to expand its focus on operational efficiency and resilient global trade networks.

DIGITALISATION ZONE

The Digitalisation Zone offers a front-row view of the technologies reshaping the energy industry. Through interactive demonstrations and real-world use cases, attendees can explore how digital tools are improving connectivity and streamlining operations, all while creating more responsive energy systems.

LOW CARBON & CHEMICALS ZONE

The Low Carbon & Chemicals Zone grows to showcase even more technologies, products and solutions supporting emissions reduction, industrial transformation and energy security across the value chain. As low-carbon technologies become increasingly critical to industrial competitiveness and energy security, the Low Carbon & Chemicals Zone has evolved to match the scale of opportunity. Bringing together an expanded portfolio of solutions spanning hydrogen, ammonia, methanol, CCUS, chemicals innovation and industrial electrification, the zone showcases the technologies helping industries reduce emissions while unlocking new growth opportunities.

5 GLOBAL ENERGY CLUB RELOCATED TO THE HEART OF ADIPEC

The Global Energy Club returns as the premier destination for high-level networking, strategic meetings and executive engagement. For 2026, the Club has been relocated to a prominent position beside the main entrance, making it even easier for ministers, policymakers, business leaders and energy executives to connect throughout the event.

PREPARE FOR ADIPEC

Your delegate checklist

A few simple steps before you arrive will help you make more of your four days at ADIPEC.

- ☑ **Access** your delegate badge

  Have your delegate confirmation and unique QR code ready for badge collection.

- ☑ **Promote** your participation

  Let your professional network know you are attending ADIPEC 2026 using your personalised delegate assets.

- ☑ **Download** the ADIPEC app

  Access the conference agenda, discover exhibitors, navigate the venue and receive the latest event updates.

- ☑ **Promote** your participation

  Let your professional network know you are attending ADIPEC 2026 using your personalised delegate assets.

- ☑ **Plan** your journey

  Have your delegate confirmation and unique QR code ready for badge collection.

- ☑ **Build** your agenda

  Explore the Strategic and Technical Conference agendas and identify the sessions most relevant to your priorities.

- ☑ **Access** your delegate badge

  Review hotel shuttle, Park & Ride and taxi information before travelling to ADNEC Centre.

- ☑ **Plan** your meetings

  Use the ADIPEC app to identify relevant attendees and start connecting before you arrive.

- ☑ **Check** event timings

  Plan your arrival around conference and exhibition opening times.

Start planning your ADIPEC experience

MAKE THE MOST OF YOUR ADIPEC EXPERIENCE

Your delegate pass gives you access to more than conference sessions.

Plan ahead to make every part of your ADIPEC experience count.

BEFORE YOU ARRIVE

Build your agenda

Identify the conference sessions, speakers and topics most relevant to your priorities.

Start connecting

Complete your profile on the ADIPEC app and schedule meetings with relevant peers and industry contacts.

DURING ADIPEC

Move between insight and opportunity

Combine conference sessions with time across the exhibition to discover technologies, projects and potential partners.

Make time to network

Use dedicated delegate networking spaces and opportunities throughout the venue to continue conversations beyond conference sessions.

AFTER EACH DAY

Turn conversations into connections

Follow up with the people you meet, share key insights with your team and build on the conversations started at ADIPEC.

PROMOTE YOUR PARTICIPATION

Your participation at ADIPEC places you alongside the global energy leaders, experts and decision-makers coming together in Abu Dhabi.

Let your professional network know you will be there and create opportunities to connect before the event begins.

1 SHARE YOUR PERSONALISED DELEGATE BANNER

Share a personalised **"I'm attending ADIPEC 2026"** banner with your professional network.

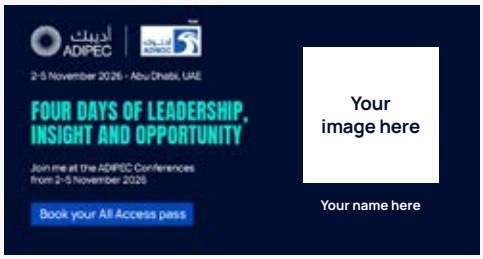

HOW TO SHARE:

01 Generate your personalised delegate banner via **www.adipec.com/ingoposts**

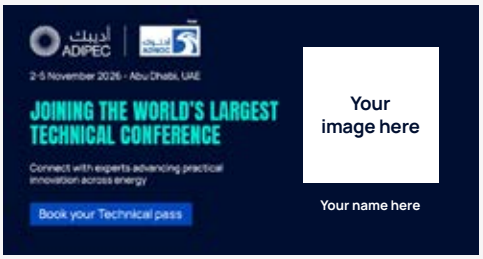

02 Log in to LinkedIn

03 Personalise the suggested message if required

04 Publish and start connecting

All access pass

Technical pass

2 ADD ADIPEC TO YOUR EMAIL SIGNATURE

Let clients, colleagues and partners know you will be in Abu Dhabi.

Download your official ADIPEC delegate email signature and add it to your business emails ahead of the event.

Download your delegate assets

3 SHARE ACROSS YOUR SOCIAL CHANNELS

Promote your participation with ready-made ADIPEC 2026 social media templates for X, Instagram and Facebook.

Use the templates and suggested copy to let your network know you will be attending, encourage relevant contacts to join you in Abu Dhabi and create opportunities to connect before the event.

Download social media templates

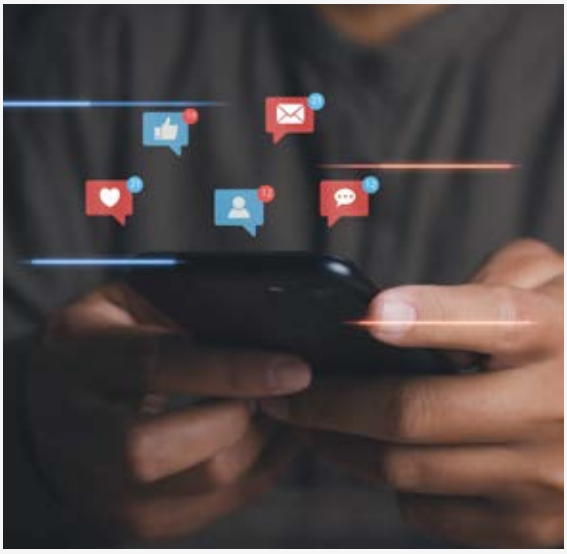

4 FOLLOW AND TAG ADIPEC

Follow ADIPEC for programme updates, speaker announcements and the latest event news.

BUILD CONVERSATIONS THAT CONTINUE BEYOND THE CONFERENCE ROOM

ADIPEC brings together leaders and experts from across the global energy ecosystem, creating opportunities to exchange perspectives, strengthen existing relationships and build new ones.

NETWORKING BRIEFINGS

Join daily expert-led briefings combining timely industry insight with facilitated peer-to-peer networking.

Led by ADIPEC Strategic Knowledge Partners, the briefings create an informal setting to exchange perspectives on key industry themes, continue the conversation over coffee and refreshments and make new connections.

Learn more

Included with the All Access pass

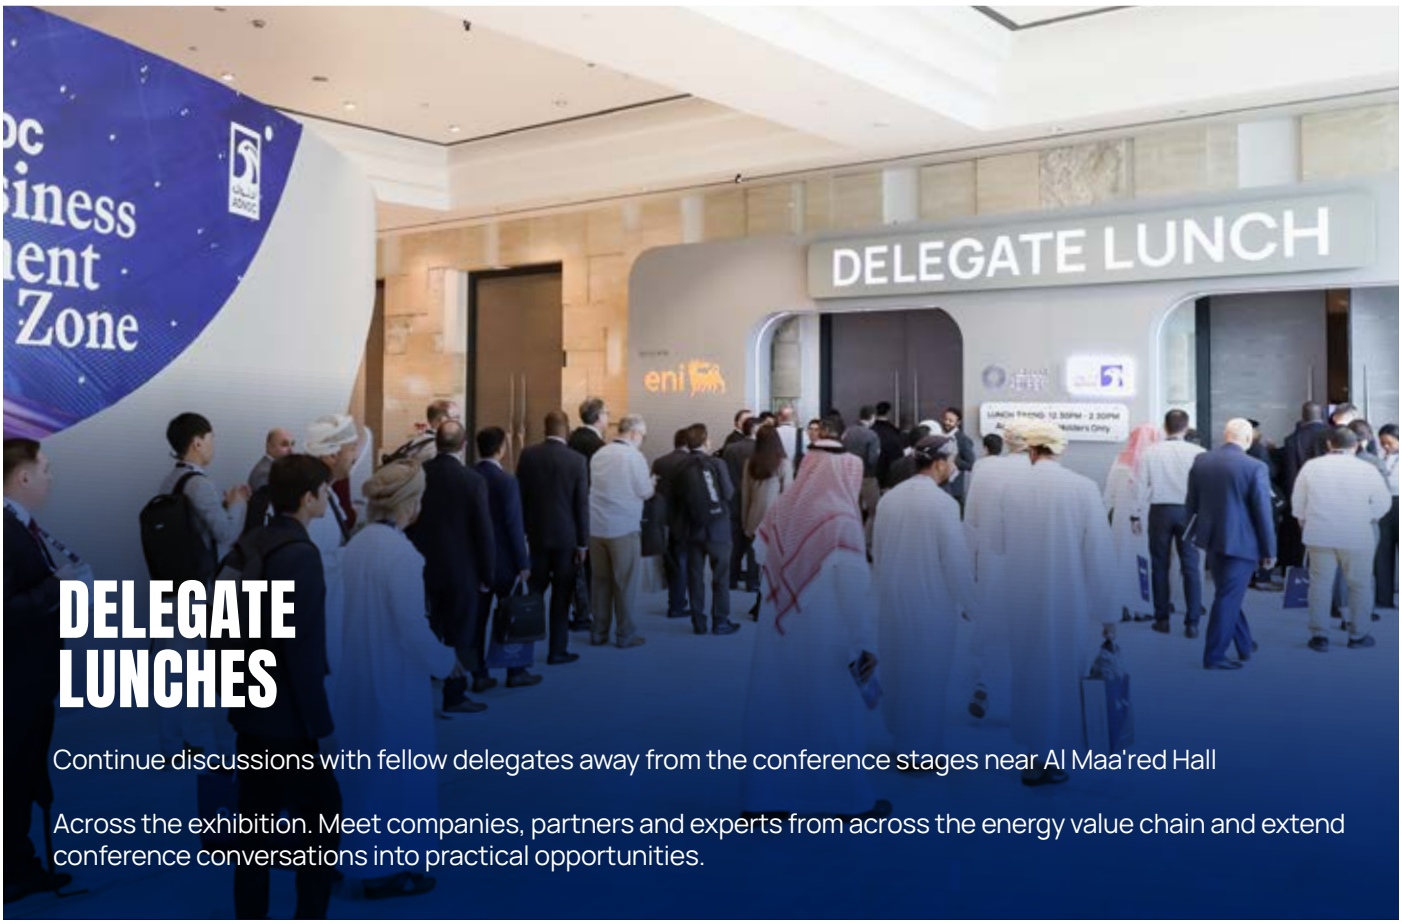

MORE WAYS TO CONNECT

DELEGATE NETWORKING AREAS

Use dedicated spaces throughout ADIPEC for planned meetings and informal conversations.

DELEGATE LUNCHES

Continue discussions with fellow delegates away from the conference stages near Al Maa'red Hall

Across the exhibition. Meet companies, partners and experts from across the energy value chain and extend conference conversations into practical opportunities.

STRATEGIC CONFERENCE

Connecting leadership, capital and capability to advance global energy progress

The ADIPEC Strategic Conference brings together ministers, CEOs, investors, policymakers and technology leaders to examine the decisions shaping energy demand, investment and growth.

Across 11 programmes, discussions will focus on the policy choices, investment pathways, infrastructure priorities, technology shifts and commercial models needed to expand energy supply, strengthen competitiveness and build the energy systems of tomorrow.

EXPLORE 11 PROGRAMMES

STRATEGIC CONFERENCE

New

Energy Security & Resilience

How governments and industry are strengthening supply, managing disruption and building more resilient energy systems.

New

Policy, Regulation & Governance

The frameworks and market conditions needed to unlock investment, reduce barriers and accelerate delivery.

Finance & Investment

How capital can support near-term resilience while enabling infrastructure, technology and long-term growth.

AI, Digital & Technology

How AI, digital capability and emerging technologies are reshaping energy performance and competitive advantage.

New

Upstream

Where future oil and gas supply will come from, where capital is moving and how resources can reach production faster.

Natural Gas & LNG

How changing demand, new supply and evolving trade flows are reshaping global gas and LNG markets.

Downstream, Chemicals & Industrial Value Chains

How integrated businesses are strengthening competitiveness and creating greater value across downstream and industrial markets.

Clean Power, Molecules & Carbon Management

How clean power, lower-carbon molecules and carbon management can move towards scalable, commercially viable deployment.

Maritime & Logistics

How shipping, ports and logistics are adapting to changing trade flows and strengthening the resilience of global energy supply.

New

Grids, Infrastructure & Industrial Execution

The infrastructure, equipment and delivery capability required to meet expanding energy and power demand.

New

Workforce & Skills

How the industry can build the skills, capabilities and leadership required to deliver future energy growth.

View the full Strategic Conference agenda

Explore the sessions and speakers addressing the policy, investment, technology and infrastructure priorities shaping global energy progress.

TECHNICAL CONFERENCE

Connecting leadership, capital and capability to advance global energy progress

The ADIPEC Technical Conference convenes the brightest technical minds, innovators and pioneers from across the global energy value chain to turn dialogue into delivery through practical innovation and technical expertise.

Across 200+ sessions and with 1,100+ expert speakers, delegates can access peer-reviewed technical insight, operational case studies and real-world applications focused on improving performance and advancing energy systems.

EXPLORE THE TECHNICAL CONFERENCE

SPE Technical Programme

Connect with engineers, operators, specialists and technical leaders sharing peer-reviewed expertise across upstream operations, technology and engineering.

Organised by SPE International

Downstream Technical Programme

Explore the technologies, operational strategies and engineering innovation advancing downstream performance and integrated value chains.

Organised by dmg::events

Six Technical Conference themes:

01 Digital & intelligent energy systems

02 Refining, chemicals & integrated value chains

03 Sustainability, decarbonisation & environmental stewardship

04 Asset development, engineering & project delivery

05 Transition molecules & gas value chains

06 Workforce & organisational transformation

View the full Technical Conference agenda

DISCOVER ENERGY INNOVATION AT SCALE

The ADIPEC Exhibition brings together more than 2,250 companies from across the global energy value chain, connecting delegates with the technologies, capabilities and solutions advancing energy performance and supporting future growth.

Between conference sessions, explore the exhibition to meet technology providers, operators, project developers and industry partners turning ideas into practical solutions.

Explore specialised industry areas

AI Zone

Explore the technologies and applications accelerating AI adoption across energy.

Digitalisation Zone

Discover digital technologies helping improve efficiency, performance and operational intelligence.

Maritime & Logistics Zone

Connect with organisations advancing the infrastructure, technologies and solutions supporting global energy flows.

Low Carbon & Chemicals Zone

Explore technologies and solutions across lower-carbon energy, carbon management and chemicals.

MAKE THE EXHIBITION PART OF YOUR AGENDA

Before you arrive

Identify priority exhibitors through the ADIPEC app.

Between sessions

Build dedicated exhibition time into your conference agenda.

While onsite

Use the interactive map to locate companies, zones and solutions relevant to your priorities.

View the exhibitor list

HOTEL SHUTTLE SERVICE

ADIPEC will provide a complimentary shuttle bus service between selected hotels and ADNEC Centre Abu Dhabi.

Services will operate at scheduled intervals each morning and evening across all four days of the event.

The shuttle bus operates every 30 minutes.

Hotel to ADNEC:
2 November: 06:00–12:00
3–5 November: 08:00–12:00

ADNEC to hotel:
2–5 November:
16:00–19:00

Pick-up and drop-off

The complimentary hotel shuttle bus pick-up and drop-off point will be located at the ADIPEC main entrance.

The following hotels are included in the hotel shuttle service.

- Erth Hotel
- Park Rotana
- Novotel Al Bustan
- Grand Hyatt Corniche
- Southern Sun
- Sheraton Khalidiya
- Centro Al Manhal
- Crowne Plaza Yas Island
- Yas Plaza Marina
- Yas Plaza Mangroves
- Yas Plaza Circuit
- Yas Plaza Bay
- Staybridge Suites Yas Island
- Fairmont Hotel
- Traders Hotel

View the detailed route plan: www.adipec.com/route-plan

TRANSPORT TO ADIPEC

ADIPEC, held at the ADNEC Centre, is easily accessible via taxi or shuttle buses from select hotels and Park & Ride locations.

Onsite parking is not available. Visitors driving to the event can use the Park & Ride facilities, where shuttles run every 20 minutes.

DOWNLOAD THIS MAP
