# WELCOME MESSAGE

As populations grow, economies emerge and intelligence accelerates, energy demand is rising, systems are diversifying and the sector is converging. The world needs a platform that can help navigate these complexities. ADIPEC 2025 provides that platform.

This year, the ADIPEC Conferences have been streamlined into two comprehensive programmes – the Strategic Conference and the Technical Conference – creating a sharper, more connected platform. Across more than 380 sessions, over 1,800 diverse voices will address some of the biggest opportunities and solutions to shaping a more secure and sustainable energy future.

To further enhance your experience, we have introduced new delegate networking areas in ICC Hall, along with a dedicated delegate lunch and networking area in Al Maa'ed Hall. These areas are designed to help you connect more meaningfully - from spontaneous conversations to pre-arranged meetings - enabling valuable peer engagement, collaboration and business development opportunities throughout the event.

The ADIPEC Exhibition is also our largest ever, offering an unprecedented opportunity to connect with peers and energy leaders, build connections and grow your business. Spanning 17 exhibition halls, it brings together over 2,250 exhibitors representing the entire global energy ecosystem. This includes 54 NOCs, IOCs, NECs and IECs, 30 dedicated country pavilions, four specialised industry zones focused on decarbonisation, digitalisation, maritime and logistics and artificial intelligence, as well as the new co-located Low Carbon & Chemicals Exhibition.

Included in this information pack are further details of the event, on-site facilities and practical information such as parking and hotel accommodation.

I hope your visit to ADIPEC 2025 is both productive and inspiring. This week is an opportunity to exchange ideas, forge new partnerships and shape the intelligent solutions that will define our shared energy future. Together, we can drive the system-wide transformation needed to deliver long-term value and measurable progress.

# YOUR CHECKLIST

To ensure your visit to the world's largest energy event goes as seamlessly as possible, we recommend using the below checklist:

## ✓ **ONSITE DELEGATE BADGE PRINTING**

Conference delegates can collect their badge by scanning their unique QR code, shared through the delegate confirmation email, at dedicated delegate badge printing kiosks.

## ✓ **OFFICIAL TRAVEL PARTNER**

Get in touch with ADIPEC's Official Travel Partner - Flyt - to avail comprehensive business travel management and hotel accommodation services

**More information on page 13**

## ✓ **PARK AND RIDE**

Check Park & Ride locations and operating hours if you're driving to ADIPEC.

**More information on page 17**

## ✓ **HOTEL SHUTTLE BUS**

Several complimentary hotel shuttle bus routes are available to and from selected hotels in Abu Dhabi to ADNEC.

**More information on page 15**

**View shuttle bus schedule:**

**Scan the QR Code**

## ✓ **ONSITE INFORMATION DESKS**

Dedicated information desks with helpful staff who are happy to assist you from 08:30 till 18:00 are located throughout the venue.

# MAXIMISE YOUR ADIPEC EXPERIENCE WITH THE OFFICIAL MOBILE APP

## ADIPEC at your fingertips

- ✓ **Access** the full conference schedule
- ✓ **Connect** and schedule meetings with global industry leaders
- ✓ **Search** exhibitors and explore products
- ✓ **Navigate** the exhibition floor with the interactive map
- ✓ **Receive** real-time updates and notifications

# ADIPEC CONFERENCE STRUCTURE

## STRATEGIC CONFERENCES

Locations: ICC Hall/ Conference Room A/ Conference Room B

### Global Strategy

Explore how bold, system-wide investments and policy foresight are reshaping energy resilience across geographies, technologies and timelines.

### Decarbonisation

Explore real world strategies cutting emissions while driving innovation, resilience and competitiveness in today's complex energy landscape.

### Finance & Investment

Understand how evolving markets, policy shifts and investor priorities are shaping capital flows for scalable, resilient energy solutions.

### Natural Gas & LNG

**NEW**

Delve into the evolving role of gas and LNG in supporting global energy security, system flexibility and affordable low-emission growth.

### Digitalisation & AI

**NEW**

Examine how AI and digitalisation are enabling smarter systems, enhancing resilience and transforming operations across the energy value chain.

### Emerging Economies

**NEW**

See how rising markets are using innovation, infrastructure and investment to reshape energy, trade and industrial competitiveness.

## Hydrogen

Unlock hydrogen's role in energy security and industrial decarbonisation, from project delivery to cross-border demand and infrastructure.

## Maritime & Logistics

Discover how shipping and ports are evolving with new fuels, smart infrastructure and green investment to support global supply resilience.

## Downstream & Chemical

**NEW**

Explore how refineries and processors are building agility through digital tools, circular platforms and evolving feedstock strategies.

## Diversity, Leadership & Development

**NEW**

Learn how inclusive leadership and workforce strategies are unlocking long-term strength, innovation and resilience across the sector.

# TECHNICAL CONFERENCES

**Locations:** Capital Suites/ Conference Room A/ Maritime Theatre

Organised by SPE

## Technical Conference

Organised by SPE, the Technical Conference brings together the brightest minds and technical experts from across the energy value chain – the changemakers at the forefront of engineering, technology, and industry innovation.

## Downstream Technical Conference

The Downstream Technical Conference will explore the role of downstream in a rapidly evolving energy landscape, emphasising the importance of circular economies, operational excellence, and energy efficiency.

# ADIPEC VENUE MAP

Join us at ADIPEC 2025, taking place from 3-6 November in Abu Dhabi, offering unparalleled opportunities for collaboration, innovation and progress.

# ABOUT THE EXHIBITION

The ADIPEC Exhibition spotlights the world's foremost energy pioneers and innovators, creating a nexus for transformative cross-sector collaborations and co-creation that can accelerate the promise of greater economic growth and prosperity in a lower-carbon world.

ADIPEC 2025 is a global platform designed to address a dual imperative – building resilience in today's systems and scaling intelligent solutions to enable the system-wide transformation required to accelerate inclusive global progress.

# EVENT FEATURES

## AI ZONE

Location - Hall 13

The AI Zone at ADIPEC 2025 showcases the integral and transformative role of AI on energy and beyond through a fully immersive experience that explores how intelligence – both human and artificial – is redefining energy systems, empowering people and enabling bold, cross-sector disruption.

## DECARBONISATION ZONE

Location - Hall 12

The Decarbonisation Zone addresses one of the energy sector's most urgent imperatives: how to reduce emissions while safeguarding energy security and economic growth.

## DIGITALISATION ZONE

Location - Chevron Hall (Hall 15)

The Digitalisation Zone will explore how data, digital infrastructure and emerging technologies are accelerating the transformation of global energy systems, enabling faster, smarter, more sustainable decision-making across the value chain.

## MARITIME & LOGISTICS ZONE

Location - Hall 16

The Maritime & Logistics Zone brings together leaders from energy, shipping, ports and logistics to strengthen infrastructure, diversify supply routes and optimise global energy flows through digital innovation. By showcasing technologies that modernise ports, enhance resilience and reduce emissions, the Zone highlights how collaboration across the supply chain is critical to delivering a more connected, efficient and sustainable future.

## YOUNG ADIPEC

Location - Chevron Hall (Hall 15)

Young ADIPEC seeks to empower the next generation of energy leaders, enabling them to work together, unify around a common cause, and play a central role in building intelligent energy systems for inclusive global progress.

# LOW CARBON & CHEMICALS EXHIBITION

Hall 17

Co-located with

Host

## EXPLORE THE LATEST IN LOW-CARBON & CHEMICALS EXHIBITION

The Low Carbon & Chemicals Exhibition, co-located with ADIPEC 2025, brings together innovators in low carbon solutions, carbon capture, energy storage, hydrogen and chemicals. Through demonstrations, an innovation stage and immersive displays, the exhibition facilitates partnerships and showcases technologies that help organisations scale efficient, lower-carbon solutions while driving energy transformation and economic prosperity.

## LOW CARBON INNOVATION SESSIONS

**Location:** Low Carbon Innovation Theatre in Hall 17

Join us at the Low Carbon Innovation Sessions, for a showcase of the technologies and strategies critical for a sustainable energy future.

Attendees will gain insights into advance storage solutions, next-generation fuels, renewable integration and regulatory frameworks that are shaping the low-carbon energy landscape.

# PLAN YOUR VISIT TO ADIPEC 2025

## OFFICIAL TRAVEL PARTNER

Working with our Official Travel Partner, ADIPEC will offer participants a full complement of travel services encompassing business travel management and hotel accommodation, ensuring the best price to help reduce participants' costs and support groups and individual participants based on their unique requirements.

## OFFICIAL TRAVEL PARTNER

### Enjoy discounted flights:

Enjoy 5% off on Etihad Airways and Emirates Airlines flights when visiting ADIPEC 2025, available exclusively through our Official Travel Partner. Etihad bookings also include complimentary airport transfers, arranged directly by Flyt for added convenience.

### For more information on travel and accommodation, please contact:

**Contact Person:** Randa Darwich

# TRANSPORT TO ADIPEC

SCAN THE QR CODE TO GET DIRECTIONS TO THE VENUE

SCAN QR CODE TO DOWNLOAD THIS MAP  
[www.adipec.com/parkingmap](http://www.adipec.com/parkingmap)

## GETTING TO ADIPEC:

ADIPEC, held at ADNEC, is easily accessible via taxi or shuttle buses from select hotels and Park & Ride locations.

Onsite parking is not available. Exhibitors driving to the event can use the Park & Ride facilities, where shuttles run every 10-15 minutes.

## TRAVELLING BY TAXI:

- Book via Abu Dhabi Taxi App or **call 600 53 53 53**
  - Use Careem App with 'ADNEC' code for **15% off** your ride to the venue
- There are two taxi pick-up areas at the ADIPEC venue:
1. Marina near Hall 17
  2. Opposite Aloft Hotel

## HOTEL SHUTTLE BUSES:

Complimentary buses are available from select hotels from around Abu Dhabi city.

**3 November** 06:00 - 12:00 to ADIPEC and departing from 16:00 - 19:00  
**4-6 November** 08:00 - 12:00 to ADIPEC and departing from 16:00 - 19:00

## DROP OFF / PICK UP LOCATIONS

① - ①⑦ Exhibition Halls

 Taxi drop off and pick up

 Hotel shuttle buses

 Park & Ride bus drop off Zones
