SUBMISSION GUIDELINES

Digital Photos

The digital entries are intended as a "straight from the camera" test of skill, and allow only the adjustments essential to convert your original image into a form acceptable for submission for this competition. Most editing tools (Photoshop, GIMP, etc.) are not permitted under these rules. Restrictions on post-processing apply to ALL edits performed after the image is captured, whether on a computer or with in-camera tools.

Your submission must be:

- taken with a digital camera that records EXIF data.
- a JPEG (.jpg) file of highest quality.
- having a minimum resolution of 300 dpi
- at least 2500 pixels, on the shorter side (above 6 Megapixes)
- The entry should be submitted following:
 - E-mail Title: Young ADIPEC Photography Competition
 - E-mail Text: Name of Participant, School Name, Emirate and your mobile Phone Number
 - Digital file should be provided in according to the Entry Format. This means the file must contain your category, initials, family name and entry number, for example: B1_M_AI_Abdulla_1
 - By sending the e-mail you agree with: "I hereby declare that I have understood and I agree with all the Rules, Regulations and Guidelines of this contest."

You must:

- Create your entry from a single capture.
- Ensure that your camera date and time are correctly set before shooting your entry.
- Retain your original, unedited file (exactly as recorded by your camera), and provide it along with the submission of entries. Files that have been saved or altered with any editing or transfer software are NOT originals.

You may:

- Use any feature of your camera while photographing your entry, with the exception of combining multiple captures in-camera.
- Crop, rotate and resize your entry within the sizing guidelines.
- Adjust brightness, contrast, curves or levels uniformly to the entire image, and must not be used in such a way that their use becomes a feature.
- Sharpen your entry using your editing software's "sharpen" or equivalent option. The use of customizable sharpening tools, such as Unsharp Mask, is not allowed.
- Fully desaturate your image using your editing software's "desaturate," "convert to grayscale" or equivalent function.
- Use RAW conversion software as long as the changes are made globally to a single file on one layer and do not create new features or effects in the process

You will not:

- Spot-edit your entry for any purpose.
- Use the marquee, lasso, or similar tool to select a portion of your image for any reason.
- Use any filters or other similar editing tools for any purpose.
- Use layers for any purpose.
- Adjust hue or saturation, adjust or eliminate individual color channels, or use the Channel Mixer or any equivalent tool, except for the most basic black and white conversion as allowed above.
- Add a border to your entry.
- Use ANY editing tool to create new image area, objects or features (such as lens flare or motion) that didn't already exist in your original capture.
- Add graphics, clip art, computer-rendered images or parts of other photographs to your entry during editing.
- Add text to your entry during editing. This includes copyright statements.
- Distort or stretch your image in any way.

EXHIBITION

All entries will be displayed at Young ADIPEC after the Judging and announcement of the winners.

PRIZES AND CERTIFICATES
