WELCOME MESSAGE

Dear Colleague,

We are delighted to invite you to ADIPEC 2025, the world's most influential meeting place for the energy industry.

Over four days, ADIPEC will bring together global leaders, innovators and professionals to explore key themes shaping the future of energy, from new energy technologies and geopolitics to digital transformation and building a resilient, future-ready system.

To enhance your experience, this year's ADIPEC features a streamlined Conference Programme and an expanded Exhibition, creating a sharper, more connected platform for collaboration and growth.

With over 380 conference sessions featuring 1,800 speakers and an exhibition floor spanning 17 halls with 2,250+ exhibitors across the global energy ecosystem, ADIPEC offers unmatched opportunities to network, exchange ideas and discover solutions driving the next phase of industry transformation.

To help you make the most of your visit, this pack includes useful information about the event, on-site facilities, parking and accommodation options.

I wish you a productive and inspiring experience at ADIPEC 2025, and hope your time here strengthens connections, unlocks new opportunities and advances your business goals.

Best regards,

Thomas Löffler

Senior Vice President
dmg events

ENERGY. INTELLIGENCE. IMPACT.

The rapid rise of artificial intelligence, the emergence of new economic powerhouses and a growing population are redrawing the global opportunity map. At the same time, heightened geopolitical complexity and supply uncertainty demand diversified and competitive energy supplies.

ADIPEC 2025 is a global platform designed to address a dual imperative – building resilience in today's systems and scaling intelligent solutions to enable the systemwide transformation required to accelerate inclusive global progress.

The ADIPEC Conferences features 12 conference programmes across two flagship agendas – the Strategic Conference and the Technical Conference. Across more than 380 sessions, diverse perspectives will explore how strategic intelligence, innovation and advanced technologies can strengthen energy systems against emerging risks, ensure long-term security and support the pragmatic evolution of tomorrow's energy infrastructure.

The ADIPEC Exhibition spans 17 halls – featuring 30 country pavilions, four specialised industry areas, and 2,250 exhibitors – to connect energy pioneers and innovators from both emerging and advanced economies, creating a nexus for cross-sector collaboration that accelerates transformation and unlocks long-term value.

ADIPEC 2025 expects over 205,000 attendees, offering unparalleled opportunities for collaboration, innovation and progress.

YOUR CHECKLIST

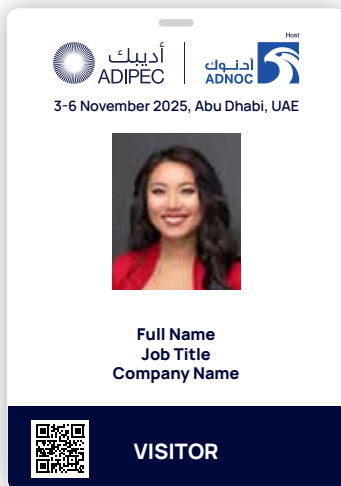

To ensure your visit to the world's largest energy event goes as seamlessly as possible, we recommend using the below checklist:

✓ VISITOR 'PRINT-AT-HOME' BADGE

To ensure smooth entry into ADIPEC, we highly recommend that all our visitors register in advance and print their visitor 'print-at-home' badge before arriving at the venue.

Secure your visitor pass by visiting www.adipec.com/visreg.

Secure a visitor pass at US\$50 by 2 November before prices increase to US\$100 during show days (3-6 November).

✓ ONSITE VISITOR REGISTRATION

Forgot to pre-register and download the 'print-at-home' badge? Register onsite by visiting any one of the multiple registration terminals located across the venue.

✓ OFFICIAL TRAVEL PARTNER

Get in touch with ADIPEC's Official Travel Partner to avail comprehensive business travel management and hotel accommodation services.

More information on page 20

✓ TRANSPORT

The venue is accessible via Taxi drop off, Hotel Shuttle buses and Park-and-Ride locations.

More information on page 22, 23 and 24

✓ HOTEL SHUTTLE BUS

Several complimentary hotel shuttle bus routes are available to and from selected hotels in Abu Dhabi to ADNEC.

More information on page 24

View shuttle bus schedule:

Scan the QR Code

✓ ONSITE INFORMATION DESKS

Dedicated information desks with helpful staff who are happy to assist you from 08:30 till 18:30 are located throughout the venue.

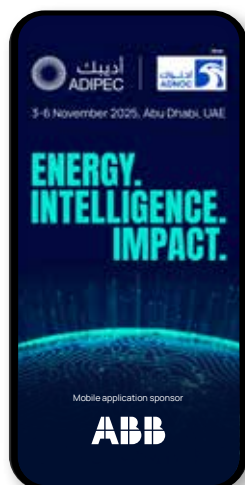

✓ DOWNLOAD THE ADIPEC MOBILE APP

Be the first to know the latest news on ADIPEC. Make your participation more effective while you are on the go by downloading the ADIPEC Mobile App.

Scan the QR Code

Visit www.adipec.com/app to download the ADIPEC Mobile App.

MAXIMISE YOUR EXPERIENCE AT ADIPEC

HOW TO ACTIVATE YOUR PROFILE

STEP 1

Register for your ADIPEC visitor badge at www.adipec.com/visreg
Please note all registered badge types will have access to the ADIPEC Mobile App

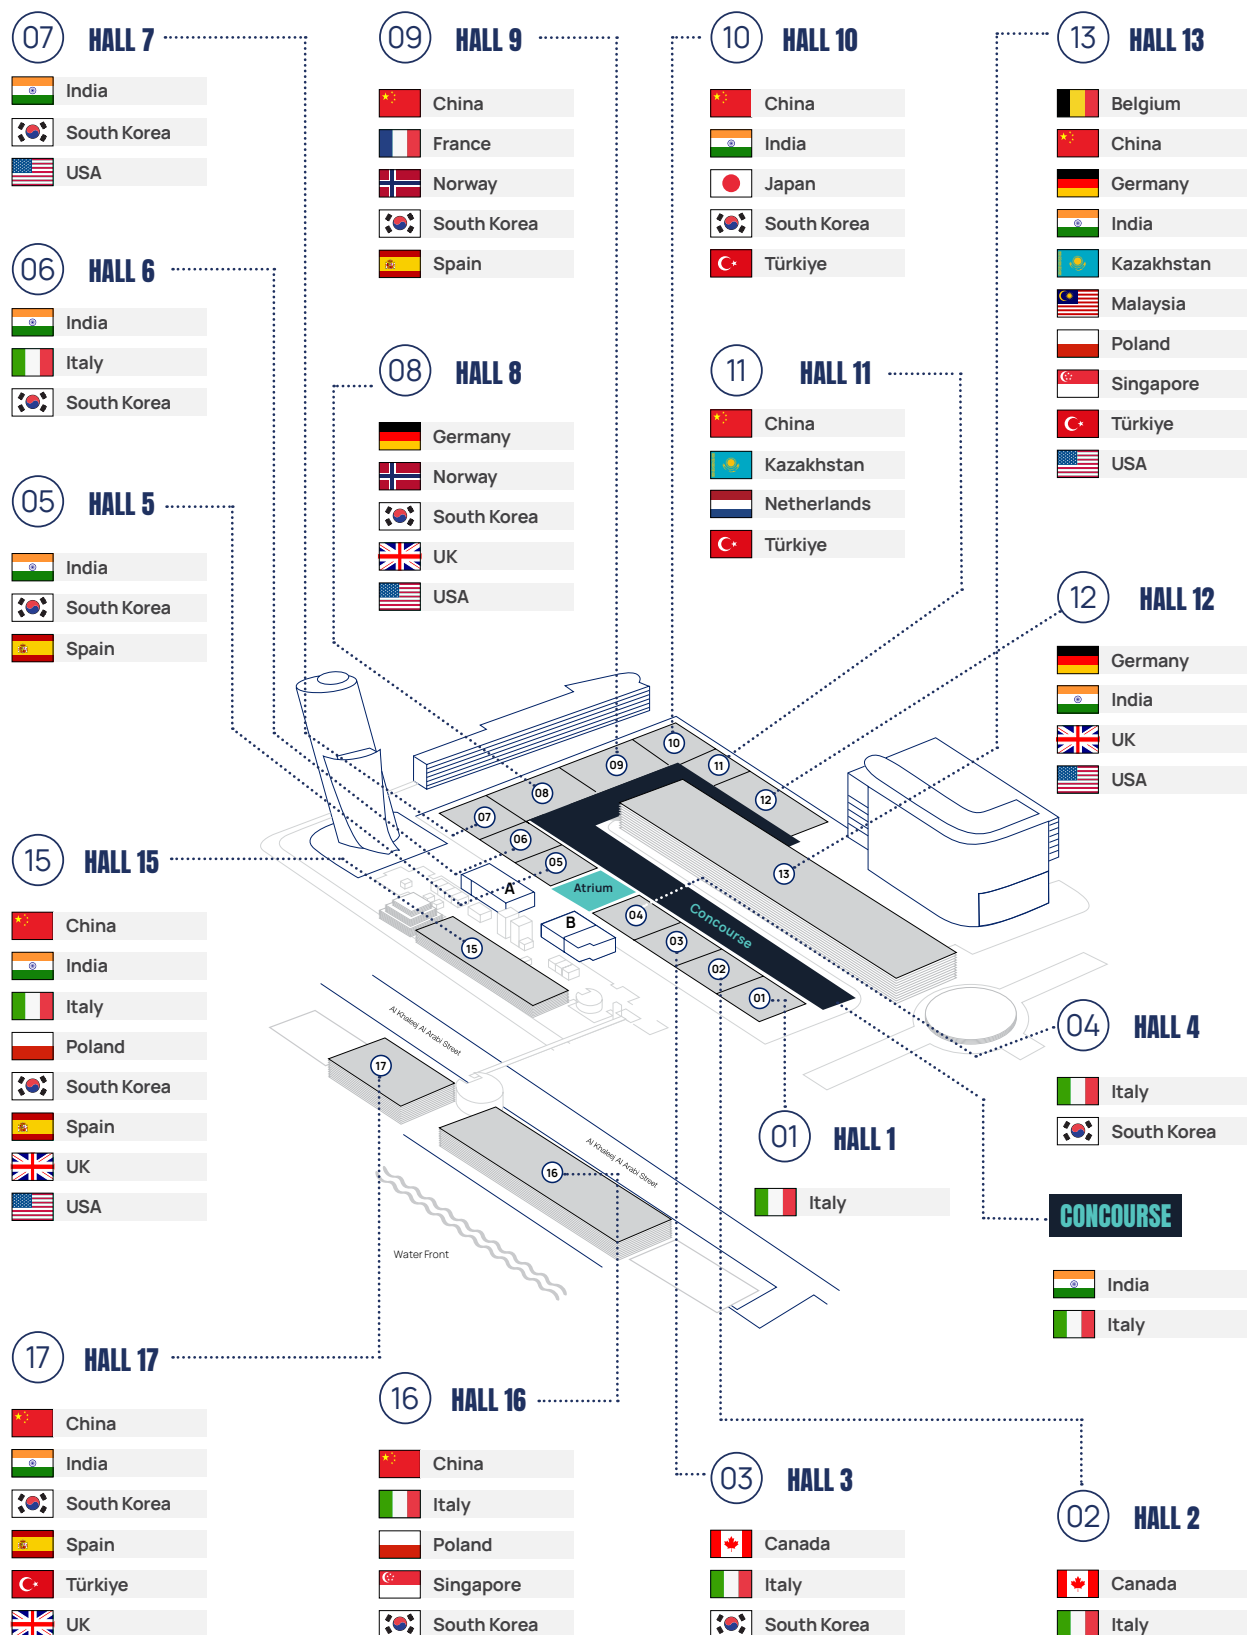

STEP 2

Download the ADIPEC Mobile App at www.adipec.com/app
Use your registered email address to create a password and activate your profile

STEP 3

Update your profile and begin networking. The connections you can make will depend on your badge type

PARTICIPATING COUNTRY PAVILIONS AT ADIPEC AND THEIR LOCATIONS

LOCATED IN HALL 13

AI ZONE

Curated in partnership with ADNOC, the AI Zone at ADIPEC 2025 showcases the integral and transformative role of AI on energy and beyond through a fully immersive experience that includes a dynamic blend of energy and AI companies showcasing transformative solutions, and a Frontier Stage featuring sessions, panels and visionary dialogue.

Who should attend:

- C-suite executives
- AI, data science & digital transformation leaders
- Strategy, innovation & technology directors
- IT, energy finance & operation heads
- Project & innovation managers

Discover products & solutions including:

- AI technology providers
- Energy companies
- Tech startups and SMEs
- Data analytics firms
- Automation and robotics firms
- Cloud infrastructure providers
- Cybersecurity providers
- Consultancies and integrators
- Academic and research institutions

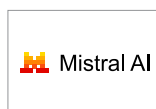

Visit the AI Zone at ADIPEC to view the latest AI innovations transforming the energy industry.

LOCATED IN HALL 12

DECARBONISATION ZONE

The Decarbonisation Zone brings together policymakers, investors, innovators and industry leaders to showcase the technologies and practical strategies that are helping industries drive system-side transformation.

Who should attend:

- NOCs, IOCs, NECs & IECs
- Clean energy and decarbonisation providers
- Hydrogen, biofuel & CCUS companies
- Power, utilities & technology innovators
- Carbon, sustainability & project development experts

Discover products & solutions including:

- Advanced materials
- Carbon capture solutions
- Fuel cell systems
- Hydrogen
- Net-zero energy infrastructure
- Renewable energy technologies

Visit the ADIPEC Decarbonisation Zone to explore the latest solutions impacting the future of the energy industry.

Decarbonisation Zone Sponsors

Upgrade your visitor pass to attend the Strategic Conference, which includes the Decarbonisation programme. The programme will explore real-world strategies cutting emissions and driving innovation in today's complex energy landscape.

Book your delegate pass at www.adipec.com/confreg

To find out more, please visit www.adipec.com/decarbonisation

LOCATED IN CHEVRON HALL (HALL 15)

DIGITALISATION ZONE

The Digitalisation Zone will explore how data, digital infrastructure and emerging technologies are accelerating the transformation of global energy systems, enabling faster, smarter, more sustainable decision-making across the value chain.

Who should attend:

- C-suite leaders
- Government and innovation heads
- AI, data & digital strategy leaders
- Machine learning, robotics & automation experts
- Investors, venture capitalists & private equity specialists

Discover products & solutions including:

- Big data and analytics
- Cloud and edge computing
- Cybersecurity solutions
- Internet of Things and smart sensors
- Robotics and automation
- Blockchain technology

View the latest technologies transforming the energy industry at the ADIPEC Digitalisation Zone.

Hall 15 sponsor

Upgrade your visitor pass to attend the Strategic Conference, which includes the Digitalisation & AI programme. The programme will explore how AI and digitalisation are enabling smarter systems and transforming operations across the energy value chain.

Book your delegate pass at www.adipec.com/confreg

To find out more, please visit www.adipec.com/digitalisation

LOCATED IN HALL 16

MARITIME & LOGISTICS ZONE

The Maritime & Logistics Zone highlights how collaboration across the supply chain is critical to delivering a more connected, efficient and sustainable future.

Who should attend:

- NOCs, IOCs, NECs & IECs
- Ship owners, operators & charterers
- Marine, subsea & engineering firms
- Ports, logistics & terminal authorities
- LNG exporters & developers
- Technology, safety & service providers

Discover products & solutions including:

- Shipbuilders and port developers
- Marine engineering and offshore equipment suppliers
- LNG and alternative fuel providers
- Logistics and supply chain innovators
- Maritime & logistics regulatory bodies

Witness the latest offerings and trends in the maritime and logistics sector when you visit the ADIPEC Maritime & Logistics Zone.

Maritime & Logistics Zone partner

Upgrade your visitor pass to attend the Strategic Conference, which includes the Maritime & Logistics. The programme will convene experts from the shipping world and beyond, to discover how shipping and ports are evolving to support global supply resilience.

Book your delegate pass at www.adipec.com/confreg

LOW CARBON & CHEMICALS EXHIBITION

Hall 17

Co-located with

Host

EXPLORE THE LATEST IN LOW-CARBON & CHEMICALS EXHIBITION

The Low Carbon & Chemicals Exhibition, co-located with ADIPEC 2025, brings together innovators in low carbon solutions, carbon capture, energy storage, hydrogen and chemicals. Through demonstrations, an innovation stage and immersive displays, the exhibition facilitates partnerships and showcases technologies that help organisations scale efficient, lower-carbon solutions while driving energy transformation and economic prosperity.

LOW CARBON INNOVATION SESSIONS

Location: Low Carbon Innovation Theatre in Hall 17

Join us at the Low Carbon Innovation Sessions, for a showcase of the technologies and strategies critical for a sustainable energy future.

Attendees will gain insights into advance storage solutions, next-generation fuels, renewable integration and regulatory frameworks that are shaping the low-carbon energy landscape.

YOUNG ADIPEC

Creating tomorrow's energy leaders

Held under the patronage of His Excellency Sheikh Nahayan Mubarak Al Nahayan, UAE Minister of Tolerance and Coexistence, and supported by the Abu Dhabi Department of Education and Knowledge (ADEK), ADIPEC 2025 will host the 13th edition of Young ADIPEC.

Young ADIPEC seeks to empower the next generation of energy leaders, enabling them to work together, unify around a common cause, and play a central role in building intelligent energy systems for inclusive global progress.

It acts as a dynamic platform for building future youth capacities and expanding the knowledge and creativity of the next generation of energy leaders. The programme achieves this by actively engaging high school and university students within the framework of science, technology, engineering and mathematics (STEM) education, igniting their passion and preparing them to pursue rewarding careers that will shape the future of energy as a force for opportunity and progress

Supported by

Young ADIPEC components:

- Industrial Field Trips
- Experimental & Edutainment Hub
- Youth Talks
- Ambassador Connect
- School Connect
- The Innovators
- Industry Connect
- The Methane Abatement Challenge
- SANED
- Exhibition Tour
- The Year of Community Engagement Initiative

To be part of the programme and explore how you can be involved:
Visit www.adipec.com/young-adipec or email youngadipec@dmgevents.com to learn more.

ADIPEC CONFERENCE STRUCTURE

STRATEGIC CONFERENCES

Locations: ICC Hall/ Conference Room A/ Conference Room B

Global Strategy

Explore how bold, system-wide investments and policy foresight are reshaping energy resilience across geographies, technologies and timelines.

Decarbonisation

Explore real world strategies cutting emissions while driving innovation, resilience and competitiveness in today's complex energy landscape.

Finance & Investment

Understand how evolving markets, policy shifts and investor priorities are shaping capital flows for scalable, resilient energy solutions.

Natural Gas & LNG

NEW

Delve into the evolving role of gas and LNG in supporting global energy security, system flexibility and affordable low-emission growth.

Digitalisation & AI

NEW

Examine how AI and digitalisation are enabling smarter systems, enhancing resilience and transforming operations across the energy value chain.

Emerging Economies

NEW

See how rising markets are using innovation, infrastructure and investment to reshape energy, trade and industrial competitiveness.

Hydrogen

Unlock hydrogen's role in energy security and industrial decarbonisation, from project delivery to cross-border demand and infrastructure.

Maritime & Logistics

Discover how shipping and ports are evolving with new fuels, smart infrastructure and green investment to support global supply resilience.

Downstream & Chemical

NEW

Explore how refineries and processors are building agility through digital tools, circular platforms and evolving feedstock strategies.

Diversity, Leadership & Development

NEW

Learn how inclusive leadership and workforce strategies are unlocking long-term strength, innovation and resilience across the sector.

TECHNICAL CONFERENCES

Locations: Capital Suites/ Conference Room A/ Maritime Theatre

Organised by SPE

Technical Conference

Organised by SPE, the Technical Conference brings together the brightest minds and technical experts from across the energy value chain – the changemakers at the forefront of engineering, technology, and industry innovation.

Downstream Technical Conference

The Downstream Technical Conference will explore the role of downstream in a rapidly evolving energy landscape, emphasising the importance of circular economies, operational excellence, and energy efficiency.

ADIPEC VENUE MAP

Join us at ADIPEC 2025, taking place from 3-6 November in Abu Dhabi, offering unparalleled opportunities for collaboration, innovation and progress.

SCAN QR CODE TO DOWNLOAD THIS MAP
www.adipec.com/parkingmap

GETTING TO ADIPEC:

ADIPEC, held at ADNEC, is easily accessible via taxi or shuttle buses from select hotels and Park & Ride locations.

Onsite parking is not available. Exhibitors driving to the event can use the Park & Ride facilities, where shuttles run every 10-15 minutes.

TRAVELLING BY TAXI:

- Book via Abu Dhabi Taxi App or call 600 53 53 53
 - Use Careem App with 'ADNEC' code for 15% off your ride to the venue
- There are two taxi pick-up areas at the ADIPEC venue:
1. Marina near Hall 17
 2. Opposite Aloft Hotel

HOTEL SHUTTLE BUSES:

Complimentary buses are available from select hotels from around Abu Dhabi city.

3 November 06:00 - 12:00 to ADIPEC and departing from 16:00 - 19:00
4-6 November 08:00 - 12:00 to ADIPEC and departing from 16:00 - 19:00

BOOK YOUR PASS

Discover the latest technologies, solutions and strategic insights transforming the global energy system. ADIPEC is where the entire energy value-chain convenes to accelerate innovation, forge partnerships and deliver impact at scale. Join the global energy community from 3-6 November 2025 in Abu Dhabi.

Visitor 4-day pass

~~US\$ 100~~
US\$ 50

excl 5% VAT

Explore 17 exhibition halls, 4 zones and over 2,200 exhibitors to discover the future of energy in action.

Pass includes:

- ✓ 17 exhibition halls
- ✓ AI Zone
- ✓ Decarbonisation Zone
- ✓ Maritime & Logistics Zone
- ✓ Digitalisation Zone
- ✓ Young ADIPEC
- ✓ Low Carbon & Chemicals Exhibition
- ✓ Innovation Sessions

All Access 4-day pass

US\$ 6,850

excl 5% VAT

Unlock the full ADIPEC experience 12 conference programmes, 380 conference sessions, high-level networking and exclusive post-event content access.

Pass includes:

- ✓ 10 Strategic Conference programmes
- ✓ Technical SPE Conference
- ✓ Downstream Technical Conference
- ✓ Tailored networking sessions
- ✓ Delegate lunches
- ✓ Delegate networking area
- ✓ 17 exhibition halls and Zones
- ✓ Low Carbon & Chemicals Exhibition
- ✓ Innovation Sessions
- ✓ Energy Connects Conference Hub (post-event access)

Technical 4-day pass

US\$ 1,840

excl 5% VAT

Dive deep into technical innovation with access to all engineering-led content, peer networking and industry insights.

Pass includes:

- ✓ Technical SPE Conference
- ✓ Downstream Technical Conference
- ✓ Delegate lunches
- ✓ Delegate networking area
- ✓ 17 exhibition halls and Zones
- ✓ Low Carbon & Chemicals Exhibition
- ✓ Innovation Sessions
- ✓ Technical papers (post- event)
