WELCOME TO ADIPEC 2026

The energy industry continues to move at an extraordinary pace, shaped by growing demand, evolving markets and rapid technological change. ADIPEC brings the global energy community together at an important moment to exchange ideas, strengthen relationships and help shape what comes next.

Over the course of the event, I hope you make valuable connections, discover new technologies and perspectives, and have conversations that continue well beyond the event itself.

This Visitor Planner has been designed to make your visit as straightforward as possible, with practical information on getting to and around the venue, transport, parking, accommodation and services during the event.

Thank you for joining us and for being part of ADIPEC 2026. I hope you have a productive and enjoyable few days in Abu Dhabi.

Thomas Löffler
Executive Vice President
dmg events

THE WORLD'S LARGEST ENERGY EVENT

Where energy opportunity takes shape

To power the next era of growth and prosperity, the world needs a more resilient energy system – one that is flexible, integrated and intelligent, able to withstand disruption while expanding capacity for the future. Energy security is economic stability. And resilience is fundamental to both.

From 2–5 November 2026 in Abu Dhabi, ADIPEC will bring together thousands of attendees, exhibitors and leading experts, including CEOs, policymakers, investors, engineers and technology leaders from across the entire energy value chain.

As an ADIPEC attendee, you'll have unrivalled access to the people, technologies and insights shaping the future of energy, helping you discover new opportunities, gain strategic insights and build valuable industry connections.

239,000+
Exhibition attendees

2,250+
Exhibiting companies

30
Country pavilions

54
NOCs, IOCs, NECs, IECs

What to expect at ADIPEC 2026

01 **Expanded AI Zone** featuring the latest in AI, energy, quantum computing and robotics.

02 **An Innovation Sessions programme** with even more visitor sessions focused on AI and maritime & logistics.

03 **New country pavilions** including Argentina, Austria and Nigeria, with 30 country pavilions represented.

04 **An extended Low Carbon & Chemicals Zone** showcasing even more products, technologies and solutions from across the low-carbon and chemicals value chain.

05 **Six new Strategic Conference programmes,** convening energy leaders for exclusive insights, networking and discussions.

EVENT TIMINGS

	Important Event Timings	DAY 1 Monday 2 November	DAY 2 Tuesday 3 November	DAY 3 Wednesday 4 November	DAY 4 Thursday 5 November

Opening Ceremony I Monday, 2 November

The Opening Ceremony will take place at Abu Dhabi Energy Centre and is strictly by invitation only.
An official Opening Ceremony badge is required for entry, with doors opening at 7:30 AM and closing at 8:30 AM.

Delegates and visitors at ADNEC can watch a live broadcast of the ceremony in the **Impact Theatre, Exchange Theatre, Momentum Theatre and Excellence Theatre.**

The ceremony will also be streamed live on the ADIPEC website and social media channels.

YOUR CHECKLIST

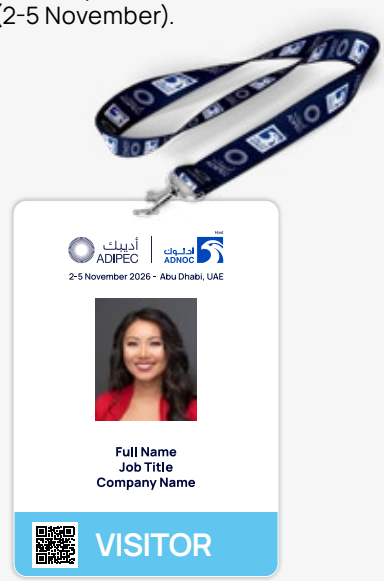

To ensure your visit to the world's largest energy event goes as seamlessly as possible, we recommend using the below checklist:

VISITOR 'PRINT-AT-HOME' BADGE

To ensure smooth entry into ADIPEC, we highly recommend that all visitors register in advance and print their print-at-home visitor badge before arriving at the venue.

Secure your visitor pass by visiting **www.adipec.com/visreg.**

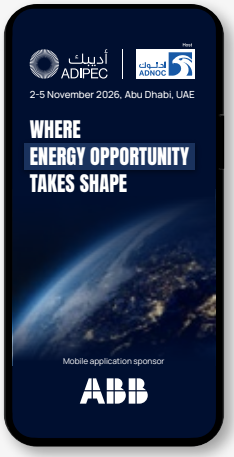

Secure a visitor pass at US$60 by 1 November before prices increase to US$100 during show days (2-5 November).

DOWNLOAD THE ADIPEC MOBILE APP

Start your planning and networking early. Make your participation more effective while you are on the go by downloading the ADIPEC Mobile App.

Scan the QR Code

Visit www.adipec.com/app to download the ADIPEC Mobile App.

ONSITE VISITOR REGISTRATION

Forgot to pre-register and download the 'print-at-home' badge?

Register onsite by visiting any one of the multiple registration terminals located across the venue.

OFFICIAL TRAVEL PARTNER

Get in touch with ADIPEC's Official Travel Partner for comprehensive business travel management and hotel accommodation services.

More information on page 19

TRANSPORT

The venue is accessible via taxi drop-off, Hotel shuttle buses and Park-and-Ride locations.

More information on page 20 & 21

HOTEL SHUTTLE BUS

Complimentary hotel shuttle buses run between selected hotels in Abu Dhabi and ADNEC.

Scan the QR Code

More information on page 22

ONSITE INFORMATION DESKS

Dedicated information desks with helpful staff who are happy to assist you from 08:30 till 18:30 are located throughout the venue.

Solutions for today and
for a low-carbon tomorrow

ADIPEC 2026: WHAT'S NEW

MORE SPACE. MORE OPPORTUNITIES. MORE WAYS TO CONNECT.

Driven by unprecedented demand from across the global energy ecosystem, ADIPEC 2026 introduces new exhibition features, expanded showcase areas and enhanced networking opportunities designed to help attendees discover new technologies, build partnerships and explore the future of energy.

1 A NEW STAGE FOR ADIPEC'S OPENING CEREMONY

To accommodate continued growth and record exhibitor demand, the ADIPEC Opening Ceremony will take place at the Abu Dhabi Energy Centre. The move creates additional exhibition capacity within ADNEC, enabling more companies, technologies and country representations to participate in ADIPEC 2026.

The invitation-only Opening Ceremony will also be livestreamed free of charge within designated conference areas at ADNEC, allowing all attendees to follow the event's proceedings.

2 NEW INTERNATIONAL PARTICIPATION

Three countries join ADIPEC's pavilion programme for the first time in 2026: Argentina, Austria and Nigeria.

Located within the expanded Hall 16, the new pavilions reflect ADIPEC's growing global footprint and the increasing diversity of investment and technology partnerships. This year's event will also feature its largest-ever Asian presence, together with a number of first-time ministerial and industry leaders joining the programme

3 RECOGNISING IMPACT THROUGH THE ADIPEC TECHNICAL EXCELLENCE AWARDS

The ADIPEC Technical Excellence Awards recognise contributions in research and innovation that demonstrate measurable industry impact. This year, the award categories have been expanded to include:

- Downstream Excellence and Innovation
- Young Professional Award
- Resilience Award
- Rising Stars Award (Academia)

4 EXPANDED EXHIBITION EXPERIENCES

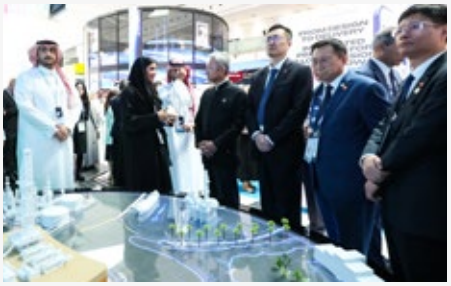

AI ZONE

Reflecting the growing importance of artificial intelligence and physical AI across the energy sector, the AI Zone expands significantly in 2026. Alongside an enlarged exhibition offering, visitors can access the AI Theatre, AI Leadership Roundtables and the free-to-attend AI Conference, covering themes including robotics and quantum computing.

MARITIME & LOGISTICS ZONE

Providing a dedicated platform for shipping, ports, marine infrastructure and supply chain innovation, the Maritime & Logistics Zone continues to expand its focus on operational efficiency and resilient global trade networks.

DIGITALISATION ZONE

The Digitalisation Zone offers a front-row view of the technologies reshaping the energy industry. Through interactive demonstrations and real-world use cases, attendees can explore how digital tools are improving connectivity and streamlining operations, all while creating more responsive energy systems.

LOW CARBON & CHEMICALS ZONE

The Low Carbon & Chemicals Zone grows to showcase even more technologies, products and solutions supporting emissions reduction, industrial transformation and energy security across the value chain. As low-carbon technologies become increasingly critical to industrial competitiveness and energy security, the Low Carbon & Chemicals Zone has evolved to match the scale of opportunity. Bringing together an expanded portfolio of solutions spanning hydrogen, ammonia, methanol, CCUS, chemicals innovation and industrial electrification, the zone showcases the technologies helping industries reduce emissions while unlocking new growth opportunities.

5 GLOBAL ENERGY CLUB RELOCATED TO THE HEART OF ADIPEC

The Global Energy Club returns as the premier destination for high-level networking, strategic meetings and executive engagement. For 2026, the Club has been relocated to a prominent position beside the main entrance, making it even easier for ministers, policymakers, business leaders and energy executives to connect throughout the event.

AMPLIFY YOUR ADIPEC PARTICIPATION

Share your attendance, connect with your network and invite others to meet you at ADIPEC.

1 POST A PERSONALISED VISITOR BANNER

Share a personalised visitor banner on LinkedIn to promote your attendance to your professional network.

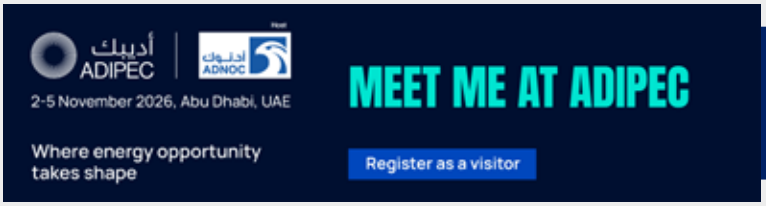

How to share the banner:

- Scan the QR code or click this link to post a personalised visitor banner: **www.adipec.com/im-attending**
- **Log in** to your LinkedIn account
- **Edit** the text (optional)
- **Publish** the post

Post the banner and share this with your colleagues: www.adipec.com/im-attending

2 FEATURE ADIPEC IN YOUR EMAIL SIGNATURE

Download the official ADIPEC visitor signature and add it to your business emails to let your contacts know you'll be attending.

Link the banner to invite your colleagues:
www.adipec.com/joinmethere

Download your email signature banner: www.adipec.com/emailsignature

3 INVITE YOUR GUESTS

Use these quick email links to invite your peers, clients and guests to ADIPEC.

Share an email invite

Scan the code or click on:
www.adipec.com/emailinvite

Share a WhatsApp invite

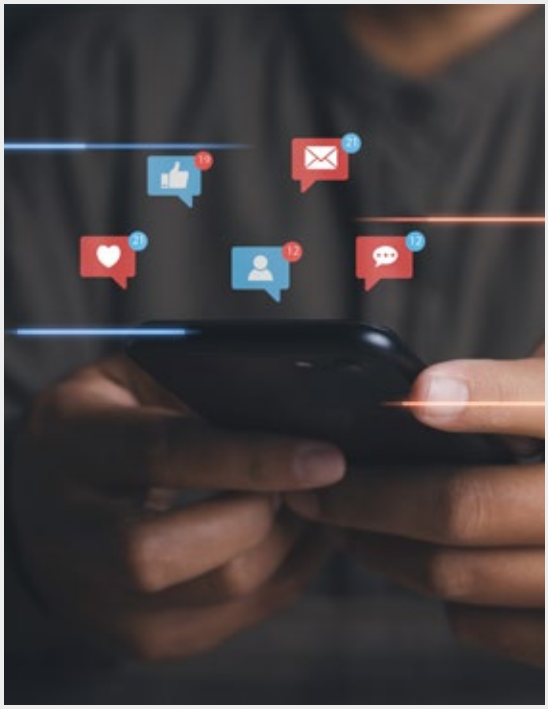

Scan the code or click on:
www.adipec.com/whatsappinvite

4 STAY UP-TO-DATE

PLAN YOUR VISIT AND NETWORK AT THE WORLD'S LARGEST ENERGY EVENT

Enhance your in-person experience at ADIPEC by downloading the ADIPEC Mobile App and have the latest information at your fingertips. More than 239,000 energy professionals with real buying power will attend ADIPEC.

Sponsored by ABB, the ADIPEC App is your smart guide to access the exhibitor list, view the floorplan, schedule meetings, explore event features and conferences and learn everything you need to plan your visit in advance.

Download the app now at www.adipec.com/app

Scan the QR code to download the app

ADIPEC mobile app features

- **Search** the exhibitor list
- **View** conference agendas
- **Navigate** the floor plan
- **Schedule** meetings
- **Receive** real-time updates

Available on IOS and Android

Download on the App Store | GET IT ON Google Play

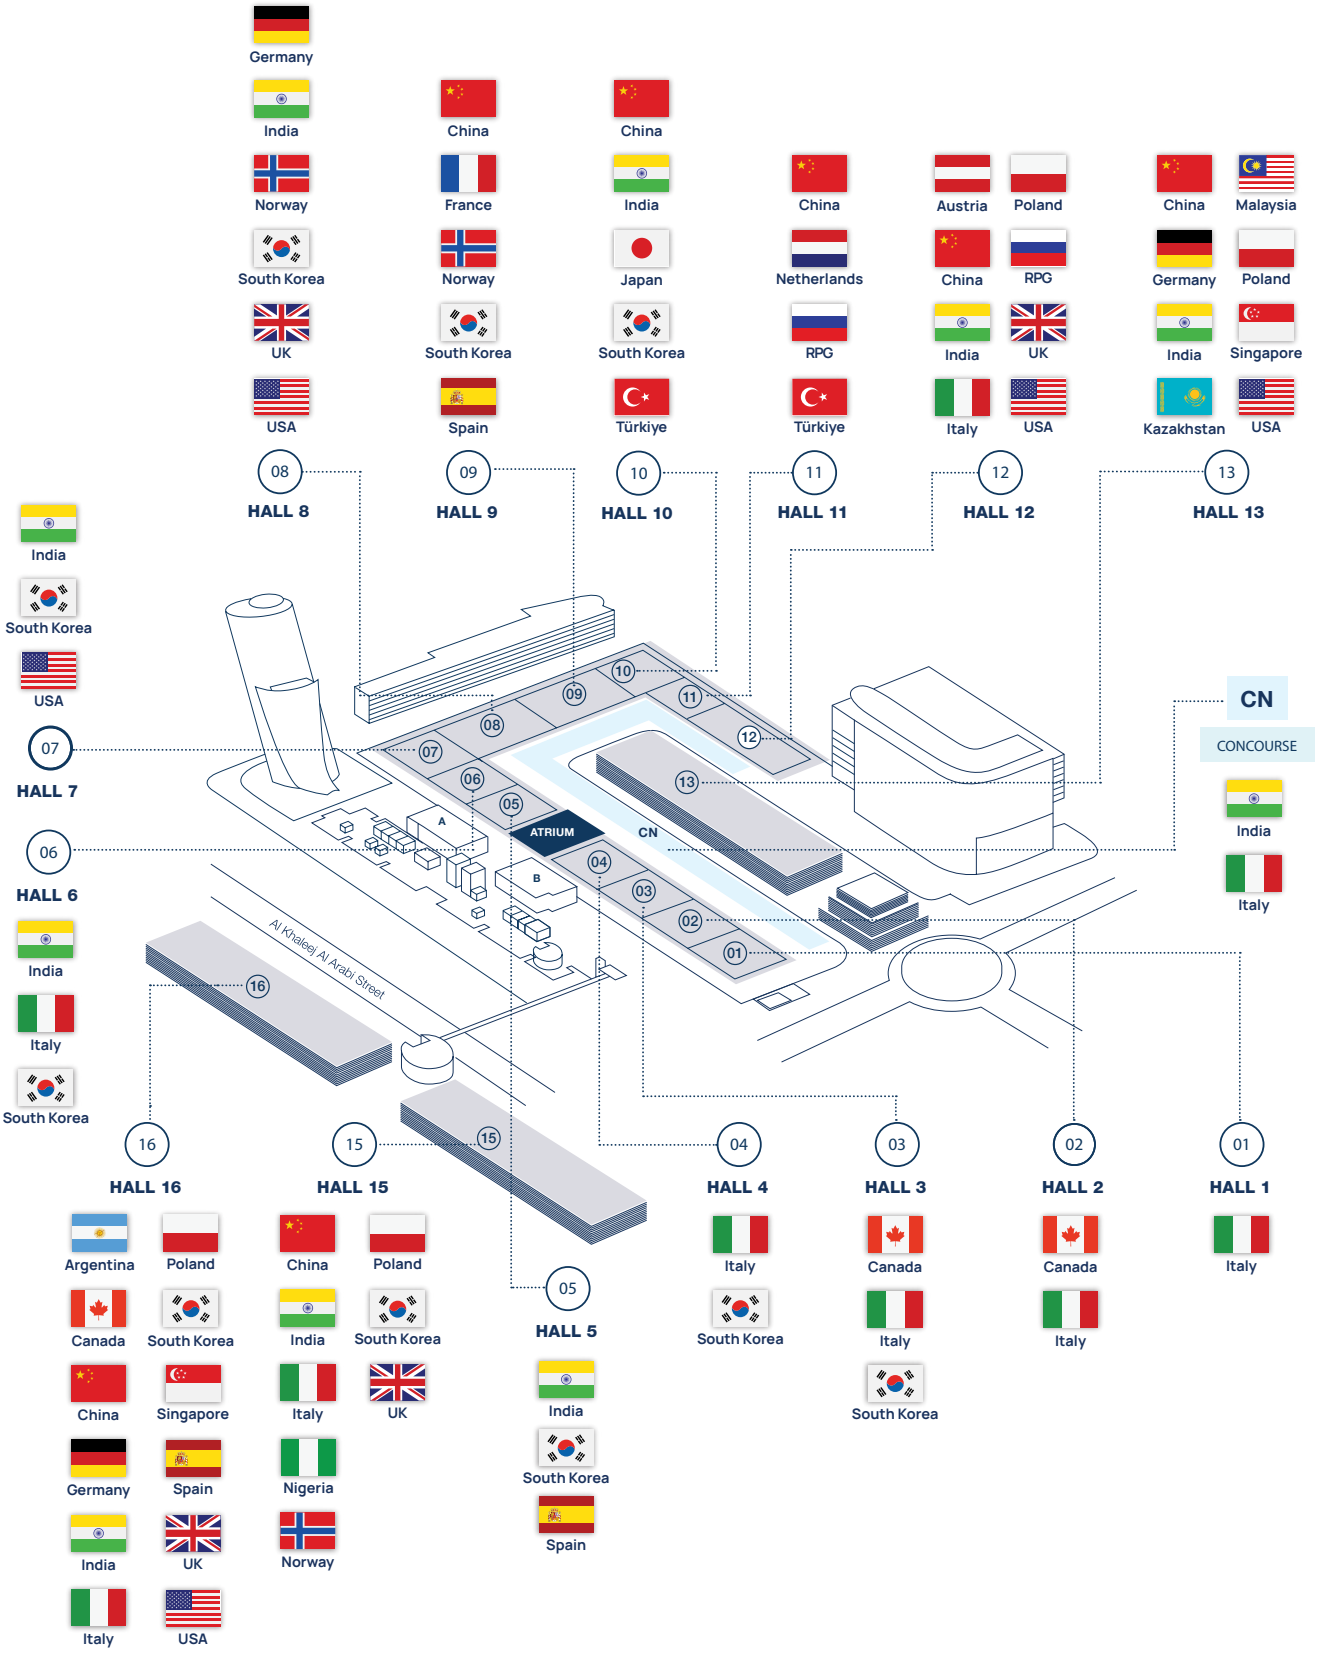

How to activate your profile

STEP 1 **Register for your ADIPEC visitor badge at www.adipec.com/visreg**
Please note all registered badge types will have access to the ADIPEC Mobile App

STEP 2 **Download the ADIPEC Mobile App at www.adipec.com/app**
Use your registered email address to create a password and activate your profile

STEP 3 **Update your profile and begin networking.** The connections you can make will depend on your badge type

PARTICIPATING COUNTRY PAVILIONS AT ADIPEC AND THEIR LOCATIONS

ADIPEC EXHIBITION

AI ZONE

AI is becoming a force multiplier for energy. The ADIPEC AI Zone shows how artificial intelligence, automation, robotics, advanced analytics and next-generation computing are being applied across energy assets, infrastructure and operations.

Bringing together operators, technology providers, digital leaders and commercialisation partners, the Zone demonstrates how intelligent systems are moving from concept to scaled deployment – improving productivity, enhancing decision-making and strengthening operational resilience.

The AI Zone is where the convergence of energy and intelligence becomes tangible, through immersive showcases, real-world applications and the talent, capital and partnerships needed to accelerate the performance and competitiveness of energy systems.

Visit the AI Zone at ADIPEC to view the latest AI innovations transforming the energy industry.

Learn more:
adipec.com/ai-zone

A selection of exhibitors include:

AIQ
DEEPOCEAN
EY
Honeywell Technologies
LiveEO
Microsoft
SENSIA
SHEPHERD
slb
SUPCON
TRIDIAGONAL.AI
Domain-driven AI
wrench

ADIPEC EXHIBITION

LOW CARBON & CHEMICALS ZONE

The Low Carbon & Chemicals Zone showcases how integrated value chains are enabling cleaner industrial production, stronger resilience and new commercial opportunities across the energy, chemicals and industrial sectors.

Bringing together chemicals producers, industrial operators, technology developers and hard-to-abate sector leaders, the Zone showcases practical solutions across hydrogen, ammonia, methanol, carbon capture, energy storage and industrial electrification.

As energy and industrial systems become more connected, the Zone demonstrates how cross-sector partnerships, commercial agreements and scalable technologies can move solutions from innovation to execution, strengthening competitiveness and supporting lower-carbon growth across industrial value chains.

Visit the Low Carbon & Chemicals Zone at ADIPEC to explore practical solutions supporting lower-carbon industry.

ACUMEN SAFETY | AQUILA PWCE | Arabian Industries | Eastern United

GFL Gujarat Fluorochemicals | MCT Brattberg | NARDI Compressori | RITTAL

SPG Dry Cooling | sulnox | TOPSOE | Weidmüller

ADIPEC EXHIBITION

DIGITALISATION ZONE

The Digitalisation Zone shows how data, digital infrastructure and advanced technologies are moving from pilot to performance across real-world energy systems.

Bringing together technology providers, operators and digital specialists, the Zone demonstrates how predictive analytics, digital twins, automation, smart grid integration, edge computing and cybersecurity are being applied to improve efficiency, optimise assets and strengthen operational resilience.

As energy systems become more complex, digitalisation is now central to how they are monitored, managed and protected — enabling faster decisions, stronger performance and more reliable energy delivery.

Visit the Digitalisation Zone at ADIPEC to explore the technologies enabling smarter, more connected energy operations.

Learn more: adipec.com/digitalisation

A selection of exhibitors include:

AMETEK · Chevron · EXPRO · HEXAGON · INNOMOTICS · KAPPA · OCTAVE · PROMETHEUS GROUP · SAMSON AND EVERYTHING FLOWS · SIEMENS · UCC HOLDING · YOKOGAWA

ADIPEC EXHIBITION

MARITIME & LOGISTICS ZONE

The Maritime & Logistics Zone focuses on the ports, routes, fleets and supply chains that connect energy supply with global demand.

Bringing together leaders from energy, shipping, ports and logistics, the Zone examines how maritime and logistics networks are being modernised to strengthen reliability, diversify supply routes, reduce emissions and support secure energy flows.

From port technologies and fleet optimisation to logistics resilience and supply chain integration, the Zone showcases the practical solutions, partnerships and investments needed to keep energy moving safely, efficiently and affordably.

YOUNG ADIPEC

Supported by

دائرة التعليم والمعرفة
DEPARTMENT OF EDUCATION AND KNOWLEDGE

Next-gen energy: Led by youth

Under the patronage of His Excellency Sheikh Nahayan Mabarak Al Nahayan, UAE Minister of Tolerance and Coexistence, and with the support of the Abu Dhabi Department of Education and Knowledge (ADEK), ADIPEC 2026 hosts Young ADIPEC.

Young ADIPEC develops the next generation of energy talent through STEM-led learning, hands-on engagement and real-world industry exposure, equipping students with the skills, knowledge and confidence to explore opportunities shaping the future of energy, from AI and digital technologies to engineering, sustainability and operational excellence.

To be part of the programme and explore how you can be involved:

STRATEGIC CONFERENCE

Strategic Conference Programmes

The Strategic Conference provides a platform to align priorities, accelerate decisions and advance the capital, partnerships and policy frameworks needed to strengthen today's energy system while expanding capacity for the future.

Energy Security & Resilience New

Explore how governments and industry are strengthening energy security, protecting critical infrastructure and building resilience against disruption in a more volatile operating environment.

Policy, Regulation & Governance New

Understand how policy, regulation and governance frameworks can strengthen investment confidence, reduce risk and accelerate delivery across increasingly complex energy markets.

Finance & Investment

Examine how investors and developers are mobilising capital, managing risk and financing the infrastructure needed to support long-term energy growth.

AI, Digital & Technology

Discover how AI, digital technologies and applied intelligence are improving operational performance, strengthening resilience and creating competitive advantage across the energy system.

Upstream New

Explore how upstream leaders are deploying capital, strengthening portfolios and improving execution to sustain supply and competitiveness in a more complex operating environment.

Natural Gas & LNG

Examine how gas and LNG are reshaping energy security, trade relationships and industrial competitiveness in an increasingly fragmented global market.

Downstream, Chemicals & Industrial Value Chains

See how refiners, chemical producers and industrial leaders are strengthening margins, securing feedstocks and improving competitiveness across increasingly integrated value chains.

Grids, Infrastructure & Industrial Execution New

Understand why the ability to build, connect and protect infrastructure is becoming as strategically important as the energy it carries.

Clean Power, Molecules & Carbon Management New

Explore how clean power, cleaner molecules and carbon management solutions are advancing from ambition to execution through commercially viable projects and infrastructure.

Maritime & Logistics

Discover how shipping, ports and logistics networks are strengthening trade resilience, safeguarding supply chains and supporting secure global energy flows.

Workforce & Skills New

Explore how talent, skills and leadership are becoming critical determinants of project delivery, industrial competitiveness and long-term energy growth.

Visa & arrival information

Kindly check whether you require a visa to enter the UAE with your local UAE embassy or the UAE Ministry of Economy & Tourism. Visas can often be arranged through your airline. Alternatively, ADIPEC's Official Travel Partner can also provide visa application assistance for your visit to the event.

Email:
adipec@flyt.ae

Getting around Abu Dhabi

Book a ride via the Abu Dhabi Taxi app or by calling 600 53 53 53. Alternatively, use the Careem app and enter the code 'ADNEC' to get 15% off rides to and from the venue during the event.

TRANSPORT TO ADIPEC

ADIPEC, held at the ADNEC Centre, is easily accessible via taxi or shuttle buses from select hotels and Park & Ride locations.

Onsite parking is not available. Visitors driving to the event can use the Park & Ride facilities, where shuttles run every 20 minutes.

DOWNLOAD THIS MAP
adipec.com/parkingmap

Getting to ADIPEC

1 TRAVELLING BY TAXI:

- Book via Abu Dhabi Taxi App or **call 600 53 53 53**
- Use the Careem App with **'ADNEC' code for 15% discount (up to AED 60) off** your ride to the venue

Taxi pick up and drop off is at Marina Hall (Hall 15) Car Park E

2 HOTEL SHUTTLE BUSES:

Complimentary buses are available from selected hotels across Abu Dhabi.
TIMINGS: **08:00 - 12:00** to ADIPEC and departing from **16:00 - 19:00**

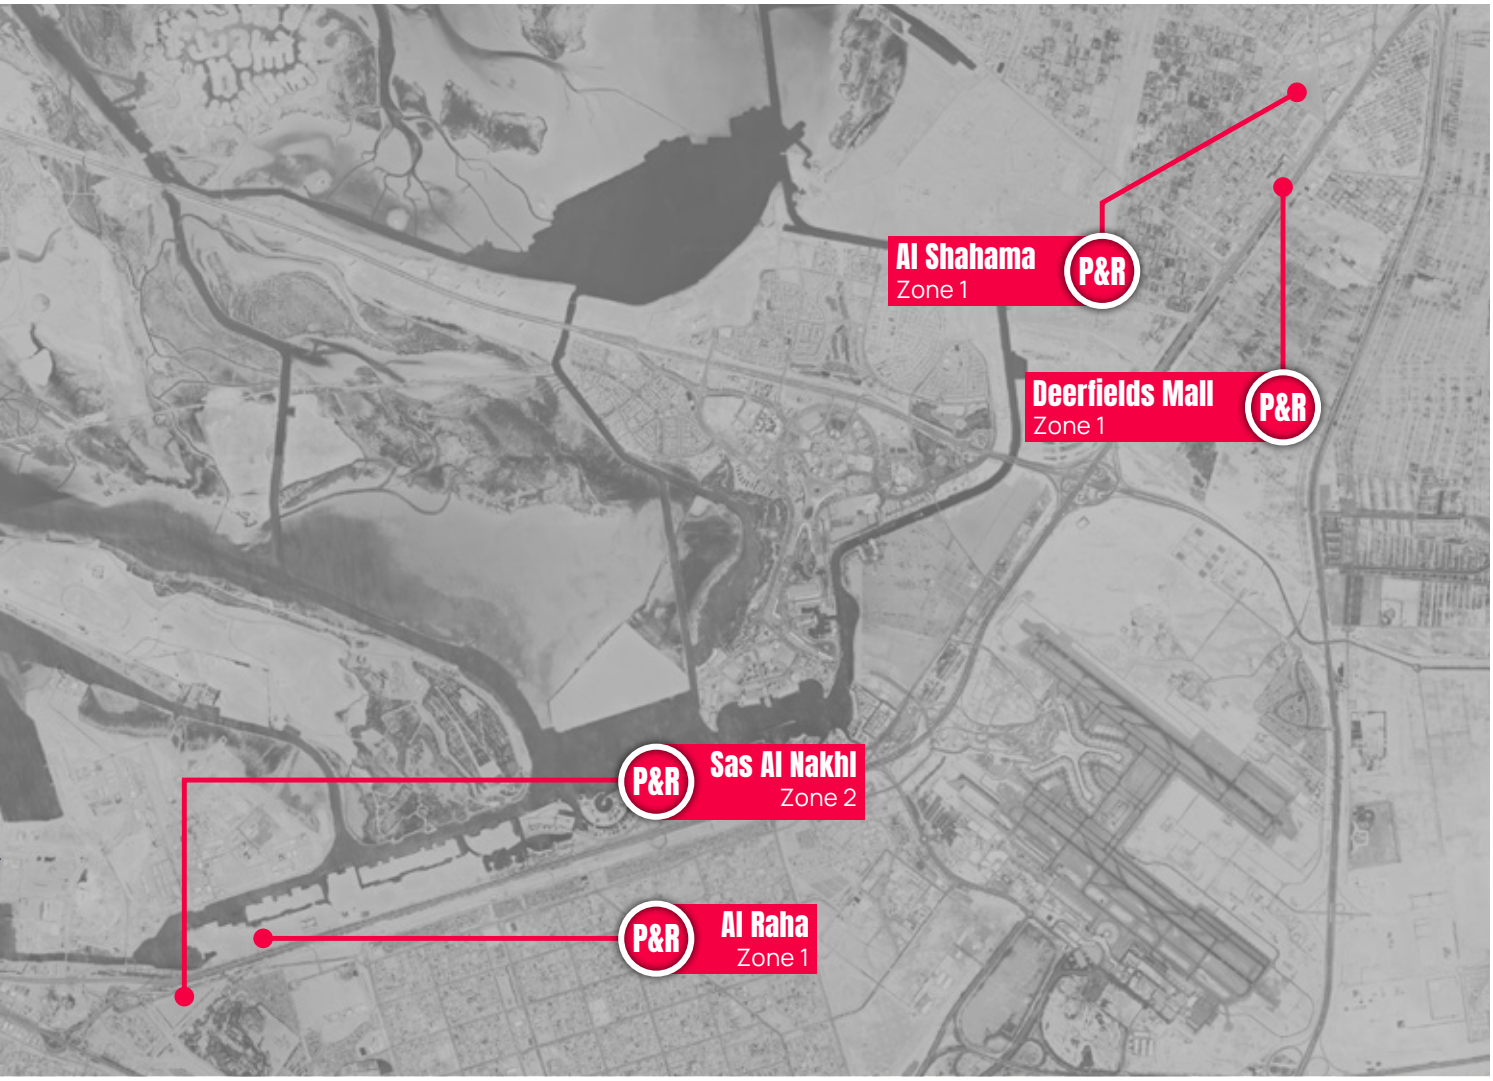

3 TRAVELLING BY ETIHAD RAIL:

Enjoy 15% off train tickets and **complimentary shuttle buses** between Mohammed bin Zayed City station and ADNEC.
Visit **adipec.com/etihadrail** to learn more.

DROP OFF / PICK UP LOCATIONS

- 1 - 16 — Exhibition Halls
- Taxi drop off and pick up
- Hotel shuttle buses
- P&R — Park & Ride bus drop off Zones
- Etihad Rail shuttle bus pick up and drop off

4 PARK & RIDE

TIMINGS: **08:00 – 19:30** (every 20 minutes)

On 2 November/ Day 1, Park & Ride Zone 2 locations will start operating at 6am.

Park at the following locations and take the shuttle buses to and from the venue:

P&R Park & Ride Zone 1 route

PARKING LOCATION:	DROP OFF & PICK UP:
Al Shahama	**Bus drop off Zone 1** near roundabout entrance
Deerfields Mall	**Bus drop off Zone 1** near roundabout entrance
Al Raha	**Bus drop off Zone 1** near roundabout entrance

P&R Park & Ride Zone 2 route

PARKING LOCATION:	DROP OFF & PICK UP:
Marina Mall	**Bus drop off Zone 2** near Marina Hall Car Park D
Sas Al Nakhl	**Bus drop off Zone 2** near Marina Hall Car Park D

For more information, visit adipec.com/gettingtoADIPEC

HOTEL SHUTTLE SERVICE

ADIPEC will provide a complimentary shuttle bus service between selected hotels and ADNEC Centre Abu Dhabi.

Services will operate at scheduled intervals each morning and evening across all four days of the event.

The shuttle bus operates every 30 minutes.

Hotel to ADNEC:
2–5 November:
08:00–12:00

ADNEC to hotel:
2–5 November:
16:00–19:00

Pick-up and drop-off

The complimentary hotel shuttle bus pick-up and drop-off point will be located at the ADIPEC main entrance.

The following hotels are included in the hotel shuttle service.

- Erth Hotel
- Park Rotana
- Novotel Al Bustan
- Grand Hyatt Corniche
- Southern Sun
- Sheraton Khalidiya
- Centro Al Manhal
- Crowne Plaza Yas Island
- Yas Plaza Marina
- Yas Plaza Mangroves
- Yas Plaza Circuit
- Yas Plaza Bay
- Staybridge Suites Yas Island
- Fairmont Hotel
- Traders Hotel
